All benefits are subject to annual deductible and/or copay (if applicable) unless otherwise stated. This benefit comparison contains only a brief explanation of the more important coverage features offered. It does not constitute a contract. Complete coverage details, including waiting periods and other limits and exclusions, are in the contracts. In the event of discrepancies, the contract shall govern.

*In the case of accidental injury, charges for medically necessary covered services directly related to the treatment of the injury are exempt from the deductible for a period of up to six (6) months, provided initial treatment for the injury is received within seventy-two (72) hours of the onset of the injury. After six (6) months, the condition is considered to be chronic and charges related to the treatment of the injury would be applied to any outstanding deductible. All other applicable benefit limitations and maximums apply. Does not apply to The Healthy Investor™ plans.

**After member satisfies the annual deductible and coinsurance maximum, KPS pays 100% of covered benefits for the remainder of the calendar year, with some limitations. If you choose a non-participating provider, your coinsurance costs are higher. In addition, it is your responsibility to pay the difference between any amounts billed by the non-participating provider or facility and the amount paid by KPS. Please refer to our website, www.kpshealthplans.com, to find a participating provider.

+The Healthy Investor™ family plans are designed for two or more family members. The entire family deductible must be satisfied before benefits are paid, annual routine physical exams, well-baby exams and routine mammography are not subject to the annual deductible.
